## VISION

Children and their families have the care and support they need, at all stages of their journey.

## MISSION

To take a leading role in improving the quality of life of those in our care, by delivering specialist care and support that is accessible and equitable.

Our mission will be underpinned by Advocacy, Research and Education. It will be achieved through collaboration with our healthcare colleagues, statutory bodies, donors and funders, and the children and families in our care.

# STRATEGIC AMBITIONS

2024-2028

**1** Provide an exemplary Children's Hospice service that is equitable and accessible.

**2** Maximise the impact of our children's disability respite service.

**3** Successfully support the residents of Willow View to transition to specialist adult disability community service provider(s) that can meet their rights, needs, will and preferences.

**4** Drive standards of care through conducting and supporting research and further education, in collaboration with third level institutions, academics, clinicians, research bodies and through public patient involvement.

**5** Advocate to ensure children and their families can access the cohesive, responsive, specialist care and support they need at all stages of their journey.

**6** Ensure a sustainable financial model to support ongoing service delivery and future growth.
