

CHRISTMAS Jumper Day

Festive Tips

Christmas Jumper Day is all about wearing your Christmas jumpers and having as much fun as possible... all while supporting LauraLynn and helping make the most of short and precious lives. We have come up with some festive themed suggestions to help add some extra jolliness to your Christmas Jumper Day!

FESTIVE BAKE OFF

Why not bring in some festive treats and crown a 'Star Baker' to the most festive and creative treat! Don't forget to check out the Christmas Activity Pack for a scrummy gingerbread recipe!

CHRISTMAS SING ALONG

Who doesn't love a Christmas tune? Get everyone in the Christmas spirit and organise a Christmas sing along or carol singing in the playground! Check out the Christmas Activity Pack for some Christmas carol inspiration!

CHRISTMAS JUMPER KING AND QUEEN

Why not hold your very own Christmas Jumper Awards... everyone loves a competition! Nominate a judge and crown a Christmas Jumper King and Queen!

DECORATE YOUR DESK

Get the tinsel and fairy lights at the ready... run a desk competition and vote for the most creative desk, the tackiest desk, the most over the top desk. The list could go on!
